Re: HERNANDEZ-Contreras, Jose

REQUEST FOR CONTINUANCE
OF SENTENCING

Dear Judge Thompson:

On September 9, 2009, Jose HERNANDEZ-Contreras appeared before Your Honor at which time he pled guilty to one count of 8 U.S.C. § 1326(a) and (b), Attempted Entry After Deportation. Sentencing was subsequently set for November 25, 2009.

Since the defendant's conviction, there have been difficulties in coordinating the probation interview, as defense counsel had to reschedule the interview for a later date. Consequently, a presentence interview was recently completed on October 22, 2009. Due to this delayed interview date, it has not been possible to complete a thorough investigation and file the presentence report in accordance with General Order 350.

As such, it is requested that Mr. HERNANDEZ-Contreras' sentencing be continued from November 25, 2009, to December 21, 2009, at 9:00 a.m. Your Honor's courtroom deputy advised that this date would be compatible with the Court's calender. In addition, the AUSA and defense counsel are in agreement with the continuance request. Lastly, a checklist is appended for the Court's response.
